## ANNABELLES - WORTH THE FUSS

Annabelles, situated on St. Heliers waterfront between 409 – 411 Tamaki Drive, boasts one of the best restaurant positions in The Bays. Susan Cho, owner-operator, took over the business nine years ago. It has grown three times in size since those days.

Susan knows her clientele well and works hard to please them. She believes that by consistently offering top quality food, an excellent choice of drink, and a comfortable welcome atmosphere, her patrons will return again and again. Susan is a perfectionist, and says that in her restaurant everything counts, even the tiniest aspect. Guest numbers continue to grow, proof

that her attention to detail works.

Susan is passionate about her restaurant (and food in general) and strives to keep it among the best in Auckland. Annabelles has proven itself again and again by winning the New Zealand Beef and Lamb Excellence Award in both 2006 and 2007.

"My restaurant has for the last 9 years has

been an A Grade for food and hygiene, and that is where it will stay!" says Susan.

Annabelles can cater for large or small groups of people. The restaurant is warm and friendly and can be divided off for those small intimate evenings.

Call and book a table and enjoy a memorable experience of exquisite food and service.
